# We Offer Free Delivery!

**Up to 50 miles from your dealer**

Our State of the Art Equipment and Trained Drivers will carefully deliver and place your portable building. Ground conditions must be suitable to support the weight of the building and the moving and set-up equipment.

## Standard Features

- All exposed wood is treated to resist termites and decay.
- Vents are included on both ends of the building to improve air circulation.
- We use galvanized ring shank nails that hold like screws and are rust-resistant.

\*Not all building types, features, options, sizes, and colors are available in all regions. Please check with your local dealer regarding availability in your area.
